## PULSE-8 supplement

pharmaceutical-grade  
L-arginine

Farmers Market

13.6 oz (385 g)

Pulse-8™ is a proprietary blend of L-arginine and marine phytoplankton in a powdered drink mix specially designed to support your cardiovascular system. Backed by Nobel-prize winning research, L-arginine converts to nitric oxide in the body, which relaxes and regulates blood vessel tone and flexibility. This process naturally supports healthy heart function. Each serving contains 5 grams of L-arginine for maintaining a healthy cardiovascular system.

Directions: Mix one scoop of Pulse-8 with 4-8 ounces of water to taste. Stir to dissolve. If water is very cold, mixture may take longer to dissolve. Pulse-8 may be taken twice a day.

Store in a cool, dry place. Due to the natural properties of this product color and taste may vary.

Caution: Consult your health care provider prior to using this product if you are pregnant, nursing, or have a known medical condition including cancer, diabetes, herpes, coronary heart disease, or have had a heart attack. Consult your health care provider before use if you take any medications including those for diabetes, high blood pressure, heart conditions, or erectile dysfunction.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
